

## CLUB CODE OF EXPECTATIONS

Players, parents/ guardians & guests will be expected to follow our club code of expectations on training & match days, as shown below:

### Players

- Join in, have fun & make lots of new friends
- Be polite to each other and respect your coach, peers & spectators at all times
- Listen to your coach and take responsibility for equipment, eg. help to clear away/ gather equipment when asked
- Be on time for training & matches, dressed & ready to warm up
- Stay with your coach at the end of play until handed over to your parents

### Parents

**Any parents or spectators exhibiting behaviour deemed unacceptable to the club, will be asked to leave and their child's membership terminated.**

- Use of foul or abusive language towards club staff, players, parents or visitors will not be tolerated
- Respect the role of parents by supporting your child without pressure. Praise effort as well as performance
- Respect referee & coaches decisions at all times, they are giving up their free time for you
- Help us maintain a happy, fun club environment for everyone. Promote a healthy attitude towards the game, opponents, officials, coaches, other parents and spectators. Of course, misunderstandings and disagreements can arise and opinions sometimes differ. Kindly raise any concerns directly with your coach or club officials in private not on squad group chat applications or social media. Please respect that training or match days are an inappropriate time as our focus is solely on the children
- Refrain from coaching on the side lines, as this may contradict instructions given by coaches,. Never criticise a player for making a mistake – mistakes are part of learning
- Confirm your child's availability to play a match 48hrs before kick off. After this time your coach will draft replacement players to ensure the game goes ahead and your child may miss out on their game.
- On match day, remain behind the respect line at all times
- Ensure all forms & payments are completed and returned within the timescale set, concessions are available, please contact Sean or Lucy in complete confidence
